Why a 5-Star Buildings structure

5-STAR BUILDINGS, LLC

Limited Lifetime Textured Metal

Urethane with 10/25 Year Limited Warranty - No Charge
Trim a second color - No Charge

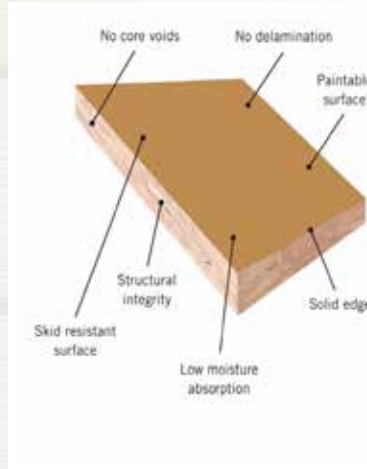

Notched 4x6 Runners

Doors and Trusses made with Truss Plates

Plated Loft Joists

- Advanced, moisture-resistant resin technology minimizes linear expansion, thickness swell, and warping
- Exceptional strength and stiffness for a flatter, more stable flooring
- Durable, thermally fused overlay engineered against delamination when subjected to moisture or mechanical pressure
- Textured, skid resistant surface
- Free from harmful formaldehyde or other emissions
- Unique T&G profile that virtually removes the gap normally associated with traditional T&G panels
- 25 Year Industrial Limited Warranty*

Built 5-Star Building Today!

Lofted Garage

Shown with optional heavy duty ramp.

The Lofted Garage provides storage ideal for autos, mowers and ATV's plus the overhead loft gives you added storage space.

The Lofted Garage comes with a heavy duty floor, 9x7 garage door, a large loft area, fiberglass entry door and one 2x3 window. Wall height is 78".

Numerous Options Available!

This Lofted Garage is shown with the optional black overhead garage door and an extra window on the side

Photos may vary slightly from actual buildings.

Shelving, a workbench and two of the three outlets from the basic electric package can be seen here. The loft is standard but Lofted Garages can be ordered without lofts. 14' wide Lofted Garages can be ordered with 9' or 10' wide overhead garage doors.

Garage

The Garage makes a nice shelter for your vehicle or boat. You can even turn it into an organized workshop!

The Garage comes with a heavy duty floor, 9x7 garage door, fiberglass entry door and one 2x3 window. It's 93" wall height gives you lots of headroom. Choose one of the options like a workbench or shelving to add versatility.

This Garage is highly customizable! 14' wide Garages can be ordered with 9' or 10' wide overhead garage doors.

Shown with an entry door and windows on the back wall and a set of double wooden doors on the side.

Due to DOT regulations all 12' wide buildings are measured from the eaves

Lofted Garden Shed

With its two windows, 6' double doors, 78" wall height and two loft areas, the Lofted Garden Shed has become a popular building!

The side entrance allows you to better utilize the whole floor area without wasting space and also gives you better access to the loft areas.

Keep your important tools, equipment or documents safe. Add a workbench or shelving to fit your needs.

Buildings less than 16 feet long come with only one window.

Lofted Pavilion

The Lofted Pavilion carries the same great features as the Pavilion but with two 4' lofts for added storage space. 78" wall height.

Photos may vary slightly from actual buildings.

Garden Shed

The Garden Shed has an attractive appeal with its double doors and two 2x3 windows on the side.

You can choose between painted, urethane or vinyl siding. It comes standard with 87" walls.

The roominess will provide lots of space for your lawn and garden tools. Add shelves or workbench for more uses.

Buildings less than 16 feet long come with only one window.

Pavilion

The Pavilion is a great addition to any backyard. With various sizes and an 87" wall height, you will have plenty of space for all your outdoor activities.

Due to DOT regulations all 12' wide buildings are measured from the eaves

Lofted Barn

The spacious Lofted Barn provides you with a versatile storage solution with 78" walls

With almost double storage space, you can store your large lawn and garden equipment below, while the two loft areas provide you with a place to store all your lighter things.

The Lofted Barn is also fully customizable, providing you with a choice of upgrades such as workbench and shelves, windows or a ramp.

8' wide buildings come with single door.

Barn

The Barn is an economical choice for your lawn and garden tools.

With its low 47" sidewalls and gambrel roof design, the Barn is perfect for areas where you want your storage building to blend in with the surroundings.

8' wide buildings come with single door.

Utility

Enhance your back yard with the Utility Shed.

Create a back yard workshop, store your lawn equipment or keep your tools dry with this simple design.

You can even add extra high walls or add a workbench or shelves.

Comes standard with 87" walls.

8' wide buildings come with single door.

ACTUAL COLORS MAY VARY SLIGHTLY FROM SAMPLES.

RENT TO OWN was established as an alternative to mini-warehousing. Our no strings plan allows you to have your own storage facility for your backyard or business, when and where you need it. The low monthly rental rates are comparable to mini-warehousing rates per square foot. You are not required to fill out a credit application, nor are you required to keep your building.

Thank you for considering our portable buildings! • We are not responsible for permits or code restraints.
